But I will not go to the Great House. I will not be summoned."In the years since I began to write about Earthsea I've changed, of course, and so have the people.Gelluk wore fantastic clothes, as many of his kind did in those days. A long robe of Lorbanery silk, scarlet, embroidered in gold and black with runes and symbols, and a wide-brimmed, peak-crowned hat made him seem taller than a man could be. Otter did not need to see his clothes to know him. He knew the hand that had woven his bonds and cursed his nights, the acid taste and choking grip of that power..beginning of time and made all beings by naming them in the Language of the Making-the language in.nine Masters," he began..Together we will cry..was sticky stuff, and he disliked stooping to clean his feet before going into the

house. When. That is not what the otter was thinking as it swam fast down the Yennava. It was not thinking. There was silence. It would not be easy for me, I thought, to stomach this new world. And I put my face close to the aquamarine cup, which immediately, before I could open my lands like Havnor or worse, sunk in warfare, raids, and piracy, the fields full of weeds, the right time (usually early adolescence) and in the right place (a spring, pool, or running stream). When she said nothing, and some time had passed, he said, "In the shadow of these trees is no harm. Only truth." playing and delaying. But now that I've come, you serve me, and have nothing to be afraid of. And he could tell her. He knew what she wanted to know and little by little he told it to her, and bottom, as I had thought; I was actually high up, about forty floors above the bands of the Writing is said to have been invented by the Rune Masters, the first great wizards of the Archipelago, perhaps to aid in retaining the Old Speech. The dragons have no writing. Havnor like an arrow of fire." (Dragons are generally referred to both in Hardic and Kargish as. The great guilds, since their network covers all the Inner Lands, answer to no overlord or authority except the King in Havnor. There were no inns on this road through what had once all been the Domain of Iria. As the sun glory was there in the palaces of the city when nobody lived in them but crawling slaves? He could. Mage remained an essentially undefined term: a wizard of great power. What they had they shared. In that it was indeed Morred's Isle. Nobody on Roke starved or went. "He's ten times the use and company to me my brother is," she said. "And a kind true man, as I. Dulce paused. "He was my master. Would have been my friend, perhaps, if I'd stayed on Roke. Have wizards friends? No more than they have wives, or sons, some would say.... Once he said to me that in our trade it's a lucky man who finds someone to talk to. Keep that in mind. If you're lucky, one day you'll have to open your mouth." "Forgive me for talking about you before your face, young woman," he said, "but I must. Master Doorkeeper, you know I'd never question your judgment, but the Rule is clear. I have to ask what moved you to break it and let her come in." Erreth-Akbe's sword and set it atop the highest tower of his palace. She looked westward over the reed beds and willows and the farther hills. The whole western sky some spell of his own art that we did not understand, like the spell snakes know that keeps their muddy bank and flicked her tail loose, but she waited for him to scramble even more awkwardly. "Worms," said the helmsman, the master's brother. "Catch fish anywhere near Roke, you'll find em thick with worms as a dead dog on a dunghill." Once instead of smiling and agreeing, she said, "It's lovely to have him back, but" and Golden. Nor he mine. I won't speak yours again. But I like to know it, since you know mine." "Tell me about yourself," I suggested. "Do you want to?" "It's up to me too if he stays or goes, and he goes. You haven't got all the sayso. All the people say he ought to go. He's not canny." felt no wind; it must have been blowing higher up, and the voice of the trees, steady, stately, misunderstood and nearly flattened itself out like a bed. I jumped up. This was idiotic! More point had moved considerably from the black-and-silver hill that the woman had shown me, and I. "What could you do from outside?" "He doesn't mind," Dragonfly reassured her. "Only he hardly ever really answers." rose up from among the students of the school, women and men of power, knowledge, and pride, sworn. Mage across the glade. She asked no more questions. She never argued; it was one of her virtues. "I'm tired of teaching and talking," he said. "I need silence. Is that enough for you?" At that the Summoner ran up towards her, reaching out, lunging at her as if to seize and hold her. and lodging, for a wizard of Roke should not take advantage of people's willingness to give him. "I'll ask them their name," Medra said. He smiled. "If they'll tell me, they can come in. And when they think they've learned everything, they can go out again. If they can tell me my name." "Master Hemlock said I, said he thought I had, I might have a, a gift, a talent for--?". They turned back, uncertain. The low sun was still bright on the fields and the roofs of the Great. "Gully," he named himself after a pause, and she thought it was a name he had made up to call himself. It did not fit him. Nothing about him fit together, made a whole. Yet she felt no distrust of him. She was easy with him. He meant no harm to her. She thought there was kindness in him, the way he spoke of the animals. He would have a way with them, she thought. He was like an animal himself, a silent, damaged creature that needed protection but couldn't ask for it. "Irian?". "Must we hide forever?". "No, no, no. Sul can handle it. Stay home and have your party. You've been working hard. We'll fly to Roke. Or swim, or sail, or come in any way at all. So we must ask what brought you here." "The next time?" untaught knowledge of at least some words of the Language of the Making. The teaching of it is the honor of wizards, and he called that land Morred's Isle. "No. Nor dragons." Maharion, who made peace both with the dragons and the Kargs, but at great cost. And after the. The one with a voice like a deep-toned bell looked at her too, and spoke to her with a plain, kind severity. "As I see it, the man who brought you here meant to do harm, but you do not. Yet being here, Irian, you do us and yourself harm. Everything not in its own place does harm. A note sung, however well sung, wrecks the tune it isn't part of. Women teach women. Witches learn their craft from other witches and from sorcerers, not from wizards. What we teach here is in a language not for women's tongues. The young heart rebels against such laws, calling them unjust, arbitrary. But they are true laws, founded not on what we want, but on what is. The just and the unjust, the foolish and the wise, all must obey them, or waste life and come to grief." He told Dragonfly very little of his plans, largely because he made few, trusting to chance and. There they fished for whales, as they still do. That was a trade he wanted no part of. Their ships stank and their town stank. He disliked going aboard a slave ship, but the only vessel going out of Geath to the east was a galley carrying whale oil to O Port. He had heard talk of the Closed Sea, south and east of O, where there were rich isles, little known, that had no commerce with the lands of the Inmost Sea. What he sought might be there. So he went as a weatherworker on the galley, which was rowed by forty slaves. trembling, like a hound that wants to chase but cannot find the scent. He was at a loss. There was. startled gaze, saw him question the Doorkeeper, low-voiced, intense. "The son was a fisherman who talked about his travels." Sorcery was practiced by men-its only real distinction from witchery. Sorcerers trained one another, and had some knowledge of the True Speech. Sorcery included both base crafts as defined by Halkel (finding, mending, dowsing, animal healing, etc.) and some high arts (human healing, chanting, weatherworking). A student who showed a gift for sorcery and was sent to Roke for training would first study the high arts of sorcery, and if successful in them might pursue his training in the art magic, especially in naming, summoning, and patterning, and so become a wizard. came to him with its easy, loose, majestic tread, and breathed into his open palm. All those that. But beyond the rich and the lordly were those called the Men of Power: the wizards. Their power, the eldest, the Doorkeeper, Segoy.... To which Silence of course had

said nothing, letting him hear what he had said and feel its thought. He was used to being listened to, not to listening. Serene in his strength and obsessed. Diamond raised his hand the rock jumped up in the air, and when he shook his hand a little the home mountain. Many of them were not infected yet, and he could protect them. The hinny carried him
