The desolation surprised me; since."Now that is interesting," said the old scholar, sitting up straighter. "I told you I was reading about dragons. You know there's been talk of them flying over the Inmost Sea as far east as Gont. That was no doubt Kalessin taking Ged home, multiplied by sailors making a good story better. But a boy swore to me that his whole village had seen dragons flying, this spring, west of Mount Onn. And so I was reading old books, to learn when they ceased to come east of Pendor. And in one I came on your story, or something like it. That men and dragons were all one kind, but they quarrelled. Some went west and some east, and they became two kinds, and forgot they were ever one.".In her bed, in the dark, she lay and thought: He knew the wizard who named me. She had had no one in her life to desire. When the young wizard first came riding by so slim and arrogant, she wished she could want him; but she didn't and couldn't, and so she had thought him spell-protected. Rose had explained to her how wizards' spells worked 'so that it never enters your head nor theirs, see, because it would take from their power, they say'. But Ivory, poor Ivory, had been all too unprotected. If anybody was under a spell of chastity it must have been herself, for charming and handsome as he was she had never been able to feel a thing for him but liking, and her only lust was to learn what he could teach her..A globe of misty, greenish fire drifted swiftly down the corridor at eye level, apparently.He knew it was well to use caution with this man. Otter had defeated Tinaral, and there was this matter of Roke, There was some strength in him or with him. Yet it was hard for Early to fear a mere finder who went about with midwives and the like. He could not bring himself to sneak and skulk. He struck down in broad daylight in the straggling square of Endlane village, infolding his talons to a man's legs and his great wings to arms.. "Talent's no good without memory!" He was not harsh, but he was unyielding. Diamond had no idea what opinion Hemlock had of him, and guessed it to be pretty low. The wizard sometimes had him come with him to his work, mostly laying spells of safety on ships and houses, purifying wells, and sitting on the councils of the city, seldom speaking but always listening. Another wizard, not Roke-trained but with the healer's gift, looked after the sick and dying of South Port. Hemlock was glad to let him do so. His own pleasure was in studying and, as far as Diamond could see, doing no magic at all. "Keep the Equilibrium, it's all in that," Hemlock said, and, "Knowledge, order, and control." Those words he said so often that they made a tune in Diamond's head and sang themselves over and over: knowledge, or-der, and contro-----....."The man's a wizard, or nearly," said Rose the witch, "a Roke wizard!
